Explore feminine styles for summer at Canadian label Nisse, where timeless classics feature dashes of colour, refined attention to detail and modern elegance. For the Resort 2019 collection Nisse takes inspiration from the elegance and grace of ballerina dancers with the Social Butterfly range. Find structural styles and flowing fabrics for a transitional day-to-night wardrobe that's full of movement. Enjoy pinstripe patterns, masculine-feminine tailoring, printed florals, soft denim hues, colour blocking and off-the-shoulder styles for a strong, romantic feminine look. Here we pick some of the label's best separates to mix-and-match for a summer wardrobe with refined style.
